now in its 5th edition midwifery preparation for practice continues to present a global model of midwifery best practice that is supported by a range of examples from the Australian, New Zealand and international midwifery contexts endorsed by the Australian College of Midwives and the New Zealand College of Midwives. The text continues to reinforce the established principles of midwifery philosophy and practice that of midwives working in partnership with women in woman-centred models or midwife-led care. This focus is what sets this text apart from other physiology-based midwifery texts, making it a highly valued resource for students and practicing midwives alike. The highly esteemed team of editors once again lead a group of internationally recognised leaders in midwifery to share their knowledge and expertise in midwifery practice, education, research and regulation across Australia, New Zealand and internationally aligned to local and international midwifery standards for practice and guidelines endorsed by the Australian College of Midwives and the New Zealand College of Midwives. Presented in 2 volumes for ease of use, videos to support learning, new chapters on sustainability and environmental health care, ethical frameworks for practice, updated midwifery guidelines and practice examples throughout.

This is volume 5 in the midwifery best practice series. Each of the volumes in this series is built around the familiar core of four main topic areas relevant to midwifery: pregnancy, labour, birth, postnatal and stories, reflection and also includes a number of focus on sections. These are different in each volume and reflect a wide range of key and topical issues within midwifery. Each volume builds upon the others to provide a comprehensive library of articles that shows the development of thought in key midwifery areas. Volume 5 offers a range of wholly new topic areas within the focus on sections covering the birthing environment, women, midwives and risk, holistic health and working internationally. Stories, a practical reference source containing a wide range of articles, research and original material in an easily accessible format. Volume 5 offers a more interactive learning experience by inviting midwives to create their own questions before reading the articles and then returning to these afterwards for reflective thought. Diverse opinions on selected topics provide a comprehensive resource for debate and discussion. Unique approach includes ideas on how to turn reading into professional development activities. Includes 60 articles from the *Practising Midwife* 2004-5, 4 research articles from *Midwifery* 2004-5, 3 articles from the *Journal of Midwifery and Women's Health* 2003-5 and 5 original articles commissioned for this book. 60 articles from the *Practising Midwife* 2004-05, 4 research articles from *Midwifery* 2004-05, 3 articles from the *Journal of Midwifery and Women's Health* 2003-05, 5 original articles commissioned for this book.
