i have owned parakeets also called budgies or keets since i was a tiny toddler i have photos
of my pregnant with me mom s parakeet named gandalf so she owned parakeets even
before i was born sometimes i ve had four parakeets sometimes just one but in one way or
another parakeets manage to wiggle their fluffy ways into my heart this book is a
compilation of my years of experience not only with my own parakeets but also with
helping the tens of thousands of parakeet loving visitors who come to my parakeet forum
between the group of us we ve probably experienced everything there is that could
happen to a keet good or bad there is information on choosing a parakeet feeding a parakeet

and full step by step instructions on hand training your parakeet you can learn about parakeet activities parakeet toys and parakeet socialization while the web is of course an awesome resource often there are times that it s simply easier to read an organized sequential set of instructions on an e reader also it seems that web access goes down during emergency situations having an ebook version of those what to do instructions available on your e reader has saved many a keet owner think of it as part of your emergency care kit for your beloved pet if you have any questions always feel free to email me i m happy to lend a hand with keets enjoy
